### ✚ Miracle

A little girl went to her bedroom and pulled a glass jelly jar from its hiding place in the closet. She poured the change out on the floor and counted it carefully. The total had to be exactly perfect. No chance here for mistakes. Carefully placing the coins back in the jar and twisting on the cap, she slipped out the back door and made her way to Boot's Pharmacy. She waited patiently for the pharmacist to give her some attention, but he was too busy at this moment. Tess twisted her feet to make a scuffing noise. Nothing. She cleared her throat with the most disgusting sound she could muster. No good. Finally she took a quarter from her jar and banged it on the glass counter. That did it! "And what do you want?" the pharmacist asked in an annoyed tone of voice. "I'm talking here to my brother from London whom I haven't seen in ages," he said without waiting for a reply to his question. "Well, I want to talk to you about my brother," Tess answered back in the same annoyed tone. "He's really, really sick... and I want to buy a miracle." "I beg your pardon?" said the pharmacist. "His name is Andrew, and he has something bad growing inside his head, and my Daddy says only a miracle can save him now. So how much does a miracle cost?" "We don't sell miracles here, little girl. I'm sorry, but I can't help you," the pharmacist said, softening a little. "Listen, I have the money to pay for it. If it isn't enough, I will get the rest. Just tell me how much it costs." The pharmacist's brother was a well-dressed man. He stooped down and asked the little girl, "What kind of a miracle does your brother need?" "I don't know," Tess replied with her eyes welling up. I just know he's really sick, and Mummy says he needs an operation and specialist treatment. But my Daddy can't pay for it, so I want to use my money." "How much do you have?" asked the man from London. "One pound and eleven pence," Tess answered barely audibly. "And it's all the money I have, but I can get some more if I need to." "Well, what a coincidence," smiled the man. "A pound and eleven pence -- the exact price of a miracle for little brothers." He took her money in one hand and with the other hand he grasped her mitten and said "Take me to where you live. I want to see your brother and meet your parents. Let's see if I have the miracle you need." That well-dressed man was a surgeon specialising in neurosurgery. The operation was completed, and the treatment organised abroad free of charge, and it wasn't long until Andrew was home again and doing well. Mum and Dad were happily talking about the chain of events that had led them to this place. "That surgery," her Mum whispered. "Was a real miracle. I wonder how much the treatment in America would have cost?" Tess smiled. She knew exactly how much a miracle cost...one pound and eleven pence... plus the faith of a little child.

## Rosary for the Month of October

The month of October is dedicated to the Holy Rosary. Please remember that we have the prayer of the Rosary Monday- Friday at 9.30am before Holy Mass during the week and we will also pray the Litany of Our Lady. Pope Francis has decreed that three new titles be added to the Litany: Mary, Mother of Mercy, Mother of Hope and Solace of Migrants. Come and join us – everyone is welcome!

## Prayer for Spiritual Communion

My Jesus, I believe that you are present in this Holy Sacrament of the altar.

I love you above all things and I passionately desire to receive you into my soul.

Since I cannot now receive you sacramentally, come spiritually into my soul so that I may unite myself wholly to you now and forever.

Amen.

### Mary in October

Mary's spiritual motherhood is a great gift to each of us. Recall that at the foot of the cross, Jesus said to St. John: Behold your Mother, and to Mary: Behold your son. (Jn 19:26-27) Jesus himself gave Mary to us as our Mother and entrusted each one of us to her as her children. I have known and counted on her maternal care and intercession each time I am invited to share in the cross of suffering, as she did on Calvary with Jesus. This has been with family, friends or persons in any need who we meet every day in our mission of evangelization. I have experienced her intercession, especially as our Mother of Mercy. When we call upon her under this title, she will always help us to receive mercy and to be merciful to others. She teaches us what spiritual motherhood means so that we can also serve as spiritual mothers and fathers to others.

### Synod in Local Churches

The opening celebration in local churches is starting on 16<sup>th</sup>/17<sup>th</sup> October. The objectives are:

- To focus on the **Word of God**.
- To invoke the guidance of the **Holy Spirit**.
- To entrust the **Synodal Process to God**. Through the maternal intercession of **Mary, Queen of the Apostles and Mother of the Church**.
- To **celebrate the beginning of the Synodal Process** in union with all **local Churches** throughout the world.
- To **gather** representatives of the **People of God** in the diocese in a **spirit of communion**.
- To **inspire participation** in the diocesan phase of the Synodal Process.
- To be **sent out** on the pilgrim path of the Synodal journey as a **missionary Church**.

**GIVE THANKS  
TO THE LORD  
FOR HE IS GOOD**  
*HIS LOVE endures FOREVER!!!*

### Just for a Laugh...

MALE and FEMALE LOGIC

Woman: Do you drink beer?

**Man: Yes**

Woman: How many beers a day?

**Man: Usually about three.**

Woman: How much do you pay per beer?

**Man: £5.00 which includes a tip.**

Woman: And how long have you been drinking?

**Man: About 20 years, I suppose.**

Woman: So a beer costs £5 and you have 3 beers a day which puts your spending each month at £450. In one year, it would be approximately £5400, correct?

**Man: Correct.**

Woman: If in 1 year you spend £5400, not accounting for inflation, the past 20 years puts your spending at £108,000, correct?

**Man: Correct.**

Woman: Do you know that if you didn't drink so much beer, that money could have been put in a step-up interest savings account and after accounting for compound interest for the past 20 years, you could have now bought a Ferrari?

**Man: Do you drink beer?**

Woman: No.

**Man: Where's your Ferrari..?**
